Dear sponsor

This is translated letter of your sponsored child

My dear Wojnarova Sona aunty

How are you? Your letters makes me always happy. I feels close to you with I read it. It's true that I have to still improve English. I am not fluent in English. I need a translator to understand. My English is very poor. Kannada and English are very different in pronouncing. Kannada is my mother tongue too so it is easy to understand but English is the language I am studying in school so it's difficult.

Yes midterm exam went on well and scored good result and after that I finished annual exam too. And the most exciting news is that I got the result and promoted to next grade. I am sending you the marks scored in the exam.

Family is absolutely fine and they have sent greetings to you and uncle. Yogesh is now in 9th and Prashant has stepped to 7th grade. We all have scored well and parents are very happy with our result. One result day mother had prepared sweet dishes to celebrate the day. In her SHG meeting are conducted and saving are done in every meetings. The centre staff gives awareness talks on different aspects. I don't have sister but the one who got married is my cousin sister.

Thank you for explaining me about the photos and children activities. Give my love and regards to all the students of the school. I am thankful to you great support and love. I can imagine that how much trouble you all are taking to support me and I know my thanks are not enough for your contribution. Whenever I read letter I get clear picture of the situation. It's beautiful to imagine.

In the month of January school sports days was held. Our group won 1st prize in throw ball game. I had taken part in Kho-Kho game.

In village, its time to for cutting the plant and they have finished it. An instrument brought in our village for separating verities of paddy.

In holidays I am solving the question paper of annual question papers. During free time I do drawings. I like drawing. I have drawn horse picture to you. I hope you will like my drawing

I went to aunt's house in holidays. There was wedding function in aunt's house so the house was fully re-painted. Free time I played cricket with friends and sometime went to beach to play.

As I have mentioned that I have been promoted to next grade and the centre staff has given me school requirements such as books, bag, and umbrella in your name. Thank you very much. From June school classes and I will write more in next letter.

Your loving son

Deepak
