Dear Sponsor

This is the translated letter of your sponsor child

My Dear Sona aunty,

How are you? I am once again in front of you with Message of success. I hope that, everything is fine with you.

I am very happy to write this letter. My annual exam is completed. I passed my 8th grade and promoted to 9th grade. My brother Yogesh Passed in 7th grade and promoted in 8th grade. Younger brother Prasanth passed in 5th grade and promoted to 6th grade.

In our school we had sports competition and in that, I participated in Kho-Kho competition. My friend Prasanth participated in 100 miter running race and won third prize.

During summer holidays, I went to my grannies house. I spent these holidays, by playing with my cousins, did the home work and draw the pictures.

In our Village lord Vishnu temple is there. I go to the temple everyday with my sister. On May 2nd my sister got married. On that day my father was brought me new dress.

I went to every month tuition classes organized by the centre. There I had written exams on mathematics, science, social and English. These exams helped me to get good marks in class tests.

In our village we had cluster level parents meeting. I along with my mother went to this meeting. Through this meeting I got knowledge on preparing time table and my mother is aware about her responsibility. On the same day, the centre staff has taken my photograph. I will send the same photograph with this letter.

Dear parents, how are you? How is your wok going on? I received greeting card and family photo. I am very happy by seeing this.

On behalf of you through the centre I have received bag, umbrella, note books. Thank you very much. I will use all this materials and do my studies well.

Your loving child
