Dear Wojnarova Sona,

We send you our glad tidings and warm wishes for a Joyous Christmas and a Wonderful New Year 2014! We greatly appreciate your continued support and efforts in helping us educate our poor children and in empowering our rural poor. For your love and goodwill to us, we pray that the Blessings of Christmas be with you today and always.

One of the real joys of this Holy Season is the opportunity to say thank you especially for your love and support to your sponsor child in having a bright future. Deepak Naik sends you a letter and a drawing for Christmas! I am sure these will double your joy! To share our Christmas Joys, the Centre had arranged a get together for children and Deepak has received a gift on your behalf. All the children were treated to a sumptuous meal thereafter! Amidst this joy and merriment, we remembered you fondly for all the happy memories you gave to our children.

Our sincere thanks to you and Caritas Prague for supporting us to uphold the cause of child education and community empowerment. A number of activities were held such as distribution of school requirements to our sponsored children, school fee, home visits and follow up of academic progress at school, tuition classes in villages, medical aid & health insurance through Arogya Raksha scheme, summer camps, leadership skills, promoting health and reading habits through Sanjeevni, career guidance, motivation for slow learners, health education, remedial classes for slow learners, child rights, community library, parental motivation in child upbringing. Further, we continue in our efforts to empower our communities to self – reliance through education, health, life skills, women empowerment, legal aid, Self Help Groups, small savings & provide opportunities for livelihood to rural youth through Vinyas Tailoring Unit and Vidyarthi Bag Making Unit. A detailed activity report with photographs is enclosed for your kind perusal. Thank you for your good will and support to us.

May the Blessings of Christmas be with you today and always!

With every good wish,

Yours affectionately,
