

Dear WOJNAROVA SONA - ZS DOBRIS

"The people who walked in darkness have seen a great light;
Upon those who lived in a land of gloom a light has shone" Isaiah 9:1

Yes! It is Christmas time again wherein the entire world pauses to celebrate the Birth of our Saviour Jesus Christ. A Holy day has dawned. A glorious light shines in our world. What we have prepared for, has dawned. The manger no longer sits empty but is occupied by the King of Kings. He lies on the straw and in our hearts, replacing our longings with hope. We feel a gentleness about the world and in ourselves.

It is the same feelings of compassion and thoughtfulness that we see through you. Jesus was born to spread the message of love and we can see you living it especially through your support for your sponsored child. Your child experiences the Joys of Christmas through your person. On this beautiful occasion, we wish God's choicest blessings on you. May the light of Jesus shine within us and illumine the lives of those around us. May you experience the goodness of God's grace reborn for every kind word and helping hand, not just today, but every day.

Your child is doing well at School and is also regularly attending classes. The past few months have been filled with mixed activities for children and the effort has been at helping them think for themselves.
